"Unity is strength...  
when there is  
teamwork and collaboration,  
wonderful things  
can be achieved."  
- Mattie J.T. Stepanek

## ***CALL FOR SPONSORS***

The **Association of Certified Fraud Examiners** is an international, professional organisation dedicated to fighting fraud and white-collar crime. One of the main focuses for the establishment of the local chapter of the **Association of Certified Fraud Examiners in South Africa** is the need to raise the standard of fraud examination in South Africa, as well as for a professional body — which was not limited to a specific profession such as accounting or law etc.

**ACFE SA's** mission is to provide a community environment in which local forensic examination practitioners can associate. This chapter is a collection of individuals in South Africa from all industries and professionals, who all have a single goal in mind; the reduction of fraud and white-collar crime in South Africa.

We decided to bring the major role players of the industry together for an **"Imbizo"** to address issues critical in the prevention and resolution of white collar crime, to achieve our mission.

**The ACFE SA writes to you in hope of a sponsorship opportunity for this year's Imbizo. Last year's Imbizo was a huge success with more than 100 Heads of Forensics attending.**
