

## **MANIFESTO**

During my term as a member of the ACFE and of the South African Chapter, a number of successful training and networking events were hosted. I am the Chairperson of the Financial Crime Association, and work closely with the members of that forum in the fight against crime and corruption.

My involvement in the ACFE Central Region Committee will allow me to make valuable contributions to the Committee and the future International Fraud Awareness Week events, if I am elected to the Central Region Committee. I will serve the members in the region and will assist with the arrangement of training and networking events on a regular basis. I am willing to assist in hosting events such as the flagship events during International Fraud Awareness Week. I will surely add value to the ACFE and will strive to grow the membership of the ACFE.

Kind regards,  
Janita du Plessis
