

I, Yvette Janse van Rensburg, hereby accept my nomination to be a member of the Pretoria Committee for the ACFE.

I currently serve as a committee member of the Pretoria committee and have been for the past 2 years.

I believe that as part of the committee I can assist to promote the ACFE to the forensic and non-forensic industry. I can also assist the ACFE with organising events and provide assistance where needed.

Thank you!

Yours Sincerely,

Yvette Janse van Rensburg
