## From the CEO

Dear members,

Welcome back! Hope you managed to get some rest as 2016 awaits with new opportunities.

From all of us here at the ACFE SA we hope you have a fabulous 2016, be blessed beyond your wildest dreams, and that you manage to make a huge dent in the pockets of the fraudsters by recovering the losses, attaching their goods, and getting the convictions. The ACFE SA Board of Directors will be getting together on the 22<sup>nd</sup> of January to review our strategic objectives for 2016-2019. We have managed to achieve a lot as a profession over the past couple of years and would like to ensure that the public realise why they need to turn to forensic professionals to help solve cases. By saying that we need to ensure a stronger brand creating awareness not only for those who want to appoint experts but also educating those who want to practise as experts as we still find a number of “experts” refusing to join as members as they do not want to be regulated. If you have ideas on discussion points we need to raise during the meeting and areas of concern we need to take note of, please feel free to forward me a mail so that I can get those points on the agenda.

I have noticed that we have seen a drastic increase in our training events and have a couple of new courses lined
