AMEND OR CANCEL EXISTING RESERVATION OR RENTAL

Please use the normal booking engine links (above) & make use of the "Amendment / Cancel Existing Booking" button at the top of page 1.

RESPONSIBILITY

Please note that First Car Rental trusts that all users (consultants that make use of your reservation links) are trusted sources - the responsibility of user / password changes lies with the booking agency. You can contact us to change the access information, at which time your booking links will change - we will then resend the new links to the relevant contact/ Manager. Please explain this procedure to your team, as Bill Back vouchers are high risk documents & for the booking agency's account.
