CALL FOR SPONSORS

The Association of Certified Fraud Examiners is an international, professional organisation dedicated to fighting fraud and white-collar crime. One of the main focus for the establishment of the local chapter of the Association of Certified Fraud Examiners in South Africa was the need to raise the standard of fraud examination in South Africa and for a professional body which was not limited to a specific profession such as accounting or law etc.

ACFE SA's mission is to provide a community environment in which local forensic examination practitioners can associate. This chapter is a collection of individuals in South Africa from all industries and professionals, who all have a single goal in mind; the reduction of fraud and white-collar crime in South Africa.

To achieve our mission it was decided to bring the major role players of the industry together for an "Imbizo" to address issues critical in the prevention and resolution of white collar crime.

The ACFE SA writes to you in hope of a sponsorship opportunity for this year's Imbizo. Last year's Imbizo was a huge success with more than 80 Heads of Forensics attending.

Due to all the input provided at last year's Imbizo the ACFE SA managed to overcome numerous obstacles in reaching its goals of preventing and resolving white-collar crime in South Africa. This session again highlighted the need of creating a platform where executives can network with fellow executives, sharing experiences, concerns and needs.

We are looking forward to hosting this year's 10th Annual IMBIZO on the 13th of March 2017 at the Protea Hotel by Marroitt O.R Tambo.

If your organisation would like to participate in this year's event as a sponsor, please contact Janine at janine@acfesa.co.za or 012 346 1913 to discuss the various types of sponsorship available.

If you require any further information from our side, please do not hesitate to contact us.
